

# Laurelhurst Sidewalk Safety Inventory

Thank you for assisting with the Laurelhurst Sidewalk Safety Program. Your efforts are critical to identify sidewalk safety problems in the neighborhood and to ensure the safety of our neighbors.

**Instructions:** As you walk throughout the neighborhood, please write down the information requested below. Your reports will be used to create a Laurelhurst Sidewalk Safety Inventory. We need to learn locations where there are unsafe sidewalk cracks, vegetation overgrowth that interferes with safe walking along the sidewalk, grates on the sidewalk as these grates become very slippery when wet, and street corners where there are no curb cuts/ramps for wheelchairs, baby strollers and people who use walkers or other types of assistance that make curbs difficult to maneuver.

SIDEWALK SAFETY INFORMATION	
<u>Exact street address/location:</u>	<u>Kind of problem:</u> _____ Crack in sidewalk      _____ Need for new sidewalk/curb _____ Sidewalk overgrowth      _____ Need for curb cut/ramp _____ Unsafe/slippery grate      _____ Other (describe below)
Name of adjacent property owner (if you know):	<u>Description of the problem:</u> (For sidewalk cracks, please indicate whether the crack has resulted in an uneven surface where the lift is greater than 1/2 inch. For all problems, indicate if the area is heavily traveled and whether there are children on the block and older walkers.)
Phone number of adjacent property owner (if you know):	
Is there a playfield, school, church, bus stop or business within 3 blocks of the location?	
<u>Other comments:</u>	

**Questions?** If you have questions or need additional inventory forms, please contact Karl Weyrauch at 206-525-5562 or [karlweyrauch@hotmail.com](mailto:karlweyrauch@hotmail.com) or Jeannie Hale at 206-525-5135 or [jeannieh@serv.net](mailto:jeannieh@serv.net). Please return your completed forms to Karl Weyrauch, 4545 49<sup>th</sup> Avenue NE, Seattle, WA 98105, or fax them to 206-525-9631.

Please list your name, phone number and email address in case we have questions for you.
