RE: Waterway No. 1 Design Meeting

Dear Arthur,

Thank you very much for your participation in last night's Waterway No. 1 Design meeting. We appreciated the opportunity for our neighbors to meet you in person and to learn about your practical experience and expertise as we develop a plan to improve this long-neglected site. Your advice and suggestions on possible vegetation and tree options and explanation of maintenance issues was especially helpful.

We are grateful that you are willing to advise the Laurelhurst Community Club on this project. We look forward to working with you as we move forward with this project.

Sincerely,

Liz Ogden, Project Chair
